### Sprint Goal

Set up everything we need for users to be able to view and print pre-made characters.

### User Stories

- I. As a developer, I want to create a file format for characters so that I can display character information. [5]
  - A. Brainstorm character format (8 hours)
  - B. Record and share the character format (1 hour)
- II. As a new player, I want to be able to view and print characters so I don't have to fill out a sheet myself. [13]
  - A. Translate the three-column layout to a Bootstrap grid (4 hours)
  - B. Ability Scores directive and controller (3 hours)
  - C. Health and Saves directive and controller (3 hours)
  - D. Skills directive and controller (3 hours)
  - E. Defenses directive and controller (3 hours)
  - F. Race Features directive and controller (3 hours)
  - G. Class/Path/Destiny Features directive and controller (3 hours)
